Small class sizes and a team of highly effective support staff – We are committed to keeping class sizes to a minimum and our excellent Inclusion Team ensure that every student gets as much individual attention as possible.

Eastbrook students are safe, happy and successful.

Sporting excellence - We have become a centre of excellence in outdoor pursuits and have the use of extensive playing fields for sport and leisure.

Extended Opportunities for learning – We run classes on Saturday mornings and during school holidays along with many residential activities to boost learning and ensure that every student has the opportunity to reach and exceed their potential.

Tradition – We are very proud that we have now been at the centre of the local community and have educated and worked with local youngsters for over 80 years

Brand new buildings – We have received Government support for the development of a 3 – 19 ‘all through’ school on our site. Work has started and the new buildings will be in use from September 2016.

Committed and skilled Leadership – We have leaders who listen and are committed in ensuring that all students are safe, happy and successful.

An Outstanding Curriculum – We have developed an innovative and carefully planned curriculum that enables every student to confidently progress on their chosen pathway, whether that is university, further study or employment.
