

Dear Parent/carer,

RE: Yr11 'Walk & Talk' practice exams begin 5th November 2018

Eastbrook School believes that it is important for pupils to be fully equipped for learning. We would like to make you aware that Year 11 Walk & Talk practice exams will start on 5th November 2018. Students should be fully equipped for all exams by having with them a pen (black ball point), pencil, sharpener, rubber and ruler. Also, students will need a protractor, calculator and compass for their Maths exams.

Please see the reverse of this letter for the exam timetable, please support your child's success by encouraging them to revise thoroughly for their scheduled exams. The follow up work resulting from these exams will support your child's success in the end of term December mock exam.

In external exams such as the final Year 11 GCSE in June 2019, you are not allowed to have any unauthorised items in the exam room such as mobile phones or any kind of electronic device or your results may be cancelled. For these internal end of year exams, prior to sitting at their examination desks, we will be asking all pupils to place any electronic devices in their school bag (switched off and at their own risk). As such I would recommend if possible that your child not bring any mobile phones or smart watches on the day of an exam.

If you would like to discuss this further, please do not hesitate to contact me through the school.

Thank you for your support.

Mr A. Khan
Deputy Head Teacher
