

Hello everyone,

I hope you have had an enjoyable and productive week.

The highlight of my week has been our two parents' evenings. It was great to see so many of you in attendance. Having a strong link between school and families has such a positive impact on our children.

Thank you for all the responses to the paperwork that we gave out. We will discuss all the comments and suggestions we received and help to use them as a way to move the school forwards- your opinions matter and you will be listened to.

On that point, in the next fortnight we will be sending home a more detailed questionnaire, as well as conducting one in school for staff and children, so that we can gather further thoughts and opinions on specific areas of school life.

Have a lovely weekend.

### **School Council**

Mr Pasterfield has begun the process of electing a school council at Eastbrook. He led an assembly talking about democracy and the work of school councils. We really value the "pupil voice" here and the school council will play a big part in shaping our future.

Active Dance visit our Reception class each Friday morning. We are learning how to control our bodies and move in a space. We also need to make sure we listen carefully to instruments.
