# Newsletter Friday 9<sup>th</sup> November

Dear Parents and Carers,

I hope you have had a good week. As you know all our weeks end on a high with our celebration assembly on a Friday afternoon. It is fantastic to see so many pupils being rewarded for their efforts. Our pupils are "Going for Gold" every week on their behaviour charts in class, but also putting in a lot of hard work throughout their lessons.

We have had a big push in the last fortnight on improving our learning environments - children across the school have noticed their work in corridors, more displays in the classroom and revamped book corners! We have recreated "Narnia" upstairs in preparation for a reading project that Mr Gillard will be leading with some of our older children! (see picture right side).

Curriculum overviews are Included with this newsletter, that will give you a guide to what your child will be studying throughout the year, as well as our approaches to teaching each subject.

We hope you'll find it useful.

Have a lovely weekend.
