

Dear Parents and Carers,

I hope you are well.

Our celebration assemblies became even more special last week as family members joined us for the first time. There were lots to celebrate and it was lovely to see so many people there.

Every class was involved in road safety workshops on Monday which were very enjoyable and informative.

An area of school that I am aiming to improve is the outdoor provision for our Reception children. We don't have a large budget to do this, so I am calling upon you- the school community (see photo's below).

CAN YOU PLEASE HELP?

I have visited many Early Years settings over the years, and the best haven't been the ones that have spent the most money, but the ones where people have been creative! I hope that we can come together and do just that.

You don't need to be a particularly creative person, just a willing one! In these pictures you will see different pieces of equipment that have been created out of everyday objects- pallets, pipes, plastic bottles, old pans *etc*. In the summer I contacted some builders and have already been given some of these things, but we need more and we need people to put it all together and make it happen!

If you feel you may be able to help in some way and can spare a bit of time, please let Angela or Sandra know in the office.

I hope you have a great weekend

Evan Hollows
Head of primary

Road Safety Workshop

Primary School Gate

We have reviewed the open and close time of the gates leading to all year classes.

The gate will now open at 8:30am and close at 8:50am for your convenience.

If you arrive after the gate has been closed, please bring your child to the office reception and mark them on the late list.

Thank you

Uniform Labelling

We have had an increase of lost items, please ensure all items of clothing, bags, drinking bottles and packed lunch boxes/bags, are labelled with your child's name and class.
