

Dear All,

I am very pleased to be able to tell you that the findings of Ofsted's monitoring visit that took place on 17th December have been published on their website. Please do take time to look at it.

The report itself reads well; recognising the improvements that have taken place since September. All of us are rightly proud of this. However, we know we have set ourselves challenging targets in order to provide the very best education we can for our school's community and we recognise there is still a lot of hard work ahead.

Parents' evenings are taking place next week. These meetings are so important for teachers and family members.

We will only be able to help our children reach their potential if we are working together, in partnership. If you haven't made an appointment yet, please do so.

If you are unable to attend on either of the evenings, please contact your child's teacher to arrange an appointment that suits you. It is really important we get to talk about your child's progress and share their work with you.

Have a lovely weekend.

Evan Hollows  
Head of Primary

## DATES FOR YOUR DIARY

### On the school grounds we would appreciate the following etiquette:

- Refrain from using mobile phones at all times, unless it's an emergency
- No use of bad language
- No spitting
- No littering

*Thank you very much in helping keep Eastbrook a lovely place to be for our community school.*

### Reminder - School Uniform

There is an increase of children that are wearing the wrong footwear and tracksuit bottoms instead of black school trousers.

Black shoes or all black trainers can be worn at school. This is part of our uniform. Please ensure that uniform is always worn daily and all items of clothing labelled with your child's name. Thank you
