

Newsletter Friday 30th November

Dear All,

I hope you are all well.

We have had another busy and enjoyable week in school.

On Wednesday, year 4/5 went to visit Mr Charlton’s Science laboratory in the secondary school. They are studying forces and friction and learnt how to use Newton meters to help test the friction of different surfaces. The children were enthused throughout their learning and this will become a more regular occurrence.

Yesterday, Mr Gillard launched the Year 5 reading project. The pupils enjoyed the launch party very much! They are studying The Lion, the Witch and the Wardrobe by C. S. Lewis. As an English specialist Mr Gillard has been particularly passionate about this project.

Our Year 5s’ will be working closely with a member of our 6th Form throughout the year, and it was a real pleasure to welcome them all to the primary school. They all launched themselves straight in to the spirit of the project and the primary pupils enjoyed meeting them and hearing about the books they are currently reading.

I wish you all an enjoyable weekend.
