

Hello everyone,

It has been a very important week for us - staff have been carrying out assessments with children to see how much progress they have made this term. The information is used to plan lessons and interventions that will help our children to continue to improve academically.

As well as doing their assessments, pupils have been getting ready for Christmas! They have begun creating "Christmas Wish" decorations for the lovely tree we have in the hall. We have also been practicing Christmas carols in singing assembly and Key Stage One have been working very hard on their Christmas play – We Three Kings.

On Thursday, we took delivery of our playground equipment shed, and today we have begun to stock it with all the new equipment we have purchased. So, from next week, our children will have a great variety of fun activities to use!

I wish you an enjoyable weekend.

Evan Hollows
Head of Primary

Eastbrook Primary School *Together We Learn*

UNIFORM

If you are considering new school footwear for your child, can we please encourage you to purchase black leather shoes instead of trainers. They look smarter, are more robust and more waterproof in this damp weather.

We also have plenty of lost property still to be collected. At the end of term, we have to clear everything away and will donate unclaimed items to charity.

Thank you.

MEETING TEACHERS

As it is so important staff settle children and take the register quickly each morning, it is very difficult to hold conversations with parents, carers, or relatives of pupils.

Important messages can be passed on to staff via the office. If you wish to speak to the teacher, or any other member of staff this has to be by appointment.

Again, the office staff will assist you with this.

Thank you.

CHRISTMAS JUMPER DAY

Christmas Jumper Day is on 14th December. This will also be a designated *non*-uniform day. We are asking for a minimum donation of £1 *per* pupil, all money will be donated to Save the Children.
